Subject: New traffic patterns Kemp St
Date: Thursday, June 3, 2021 1:38:44 PM

Hello,
I live on S. 13th St and am interested in the plans for Kemp St, specifically the new traffic circles.
(1)Are the traffic circles permanent?
(2)Will they be "dressed up?" Like the ones in University area?
(3) And I am curious about the stop sign at Kemp & 10th. Why not make that a roundabout also?
Thank you,
Leea Pittenger
