1.2. Summary of the Action

On 1 February 2021, the Myanmar military took control of the government, and declared a nationwide State of Emergency. Immediately following the coup citizens organised a nation-wide civil disobedience movement (CDM) and joined large street protests in cities and towns and held nation-wide strikes. Youth activists, specifically Generation Z, have played a major role in organising and leading these protests. The demonstrations were repressed

⁶ The internal markers have been created to report on the implementation of the Commission's own policy priorities in areas where no DAC reporting tool is available. For the sake of consistency and comparability, the methodology is equivalent to the DAC markers, with three possible positions (main target, significant target, not targeted)

⁷ Methodology for additional tagging providing granularity on internal markers is under development.
