1.2 Summary of the Action

This action is contributing to the Team Europe Initiative ‘Sustainable Forestry and Biodiversity Conservation in Liberia’, which aims at promoting a sustainable economic development in Liberia based on the sustainable use of natural resources and their conservation.

It ties in mainly to the MIP’s priority area 1 (Enhancing and preserving natural resources for sustainable growth), and to specific objective 2.2. It also contributes to priority area 2 (Promoting decent jobs and inclusive growth). It aligns with SDGs 1, 2, 5, 6, 12, 13, and 15.

The Action aims at contributing to environmental protection through sustainable use and conservation of natural resources in Liberia, enhancing interventions against climate change and climate adaptation, and focusing on meaningful job creation and income generation in the forestry sector. It builds on actions that are already under
