1.2 Summary of the Action

The Action has been designed in continuation with the EU's decision to reorientate development aid towards basic needs and livelihoods support to the Afghan people, since the Taliban came to power on 15 August 2021. On 11 October 2021, the EU Member States' Development Ministers agreed on the need to assist the population directly, while avoiding government channels, with support that goes beyond humanitarian aid by focusing on basic services and livelihoods assistance. On 12 October 2021, the President of the Commission announced that the Commission was working to make it possible to use funds previously intended for Afghanistan to support Afghan people in urgent need in the new context.
