1.2. Summary of the Action

The proposed action intends to enhance the EU-Malaysia partnership. The Cooperation Facility will support this objective by providing a facility to continue and reinforce EU-Malaysia relations and policy dialogue. It will promote an increased alignment between EU-Malaysia interests, principles, policies and values, complemented by increased public awareness understanding, trust, and approval of the EU and its role in the country, the region and the world. More specifically, the Facility will promote universal and shared values on human rights, gender equality, democracy, security, the environment, business and trade relations. By doing so it will deepen bilateral trade and investment relations, based on shared principles on sustainable production and consumption, strengthen environmental protection and conservation in Malaysia, while supporting climate change mitigation and adaptation and, more broadly, the implementation of the 2030 agenda and the Sustainable Development Goals (SDGs). It will also allow the EU to uphold universal Human Rights values, and to better respond to global challenges and build resilience in a flexible, forward-looking and strategic manner in its relationship with Malaysia and other partners.
