President's Message

I have a sore back, an aching right shoulder, a tender left knee and a swollen head. It is noon on Saturday, February 24, 2007, Spaghetti + 1. The aching body parts are easily remedied with Advil but I have no intention of taking measures against the swollen head for a while.

For the 20th time in ECSL history, we have pulled off one of the premier family fund-raising events in Fort Bend County. We did it with style, we did it with grace and we did it with joy. Our President Elect, **Clark Walter**, is beaming with anticipation of one of the most enjoyable duties a president elect has; creating the charitable giving budget. He is in this giddy state because of your efforts and the efforts of our extended Exchange family; friends, relatives, Boy Scouts, corporate sponsors, auction bidders and many, many others. Thanks to all who participated and especially to our Spaghetti leadership team, ably chaired by **Paul DeMarsh**.

As a club we are once again over the hump that starts in early fall with Santa's Exchange and smashes head first into Spaghetti. If there is ever a time when we can get on one another's nerves and ruffle one another's feathers, this was it! Let's take a collective deep breath and enjoy the serenity that spring brings to our club. Spring holds the promise of fun social programs, child abuse prevention month with our school decorating contest, and the opportunity to enjoy one another's company and friendship.

I already feel the Advil kicking in but please put up with my swollen pride for a few more weeks.

Regards,

Stewart Jacobson

Interim President

Many thanks to our sponsors.

Bottom left to right: Paul Hillegeist of Quest Offshore Resources, Inc., Kay Parker of Fitts, Roberts Co., P.C., Linda Patterson of Bill Heard Chevrolet, Kent Reynolds of Baker Petrolite

The Exchange Club of Sugar Land

Our guest speaker at the ECSL meeting on February 28th was **Timothy R. Jenny**, Ph.D., Superintendent of Schools, Fort Bend ISD. Dr Jenny explained the necessity of rezoning FBISD to accommodate our rapidly growing population. He also gave us a glimpse into the future where a Gifted Academy and other Academies will be created to service our diverse student body. Interim President Stewart Jacobson presented Dr. Jenny with a Sugar Land in a Box game for speaking to our members.
