We are delighted to invite* you to join our Family Office Forum in Singapore:

Benefit from a 3:1 private family office and investor:expert ratio and meet 100+ Family Offices and UHNWIs at the event!

The Prestel & Partner Family Office Forum Collection provides an exchange between family offices, wealth-owners, and only a select few partners on best practice in governance and investments.

Strictly no product presentations or specific pitches - topics covered are key issues for Family Offices and UHNWIs. These hands-on topics hold clear benefits for all participants. The focus is on added value, trends, and strategies.

Signature Features and Formats:

- Interactive presentations and engaging panel discussions; with high number of family principals sharing their views
- In-depth round table discussions
- All-day networking, in addition to dedicated networking breaks, lunches, and drinks reception

About Us:

With our six well-established annual family office forum editions in Zurich, Dubai, Singapore, Wiesbaden, New York City, and London, Prestel & Partner is proud to be a global leader in providing a private platform for networking, sharing, and learning opportunities on the most pertinent family office and investment themes.

Editorial Notes:

We are editorially independent; our forum agendas are the result of extensive conversations and months of research with Single and Multi Family Offices, UHNWIs, thought-leading advisory firms and financial institutions on the most crucial and timely topics that keep family principals and their family offices awake at night and offer inspiration to them. We don't take commissions from selling anything, and are committed to staying neutral.

Privacy Considerations:

Our great respect for personal privacy ensures any attendees (including royals, billionaires, former heads of state, and Single Family Office Principals, CIOs and CEOs) enjoy the event with total data privacy.

Congratulations on your events in Singapore, I think the programs are excellent as is the audience.

Matthias Knab
Opalesque

It was a great event with wonderful participation from the audience, especially during the session with EDB and the MAS.

Anuj Kagalwala
PwC

The audience was extremely well-qualified and we did not see many service providers or companies marketing themselves. This gave way to very positive and open conversations that were able to be honestly shared between peers. Highly recommend for UHNWIs and Family Offices to attend.

Clarence Chew
Principal Alexstrasza Holdings

Thank you for organising the fantastic event and inviting me. It was a great experience with inspiring speakers and each session was really insightful!

Noriko Okada
Acuie & Co.

Your Advantage

The audience: Our event is exclusively dedicated for Single Family Offices, Principals and Private Multi Family Offices who do not offer services or products but come to network and learn. At our event all other Family Offices and Experts who act as advisors or consultants or who offer products and/or solutions to third parties are considered to be solution providers.

The concept: More Family Officers than solution providers on stage and in the audience. Network with 100+ Family Offices and UHNWIs.

The content: Bespoke and curated program with considerable time dedicated to in-depth discussions, knowledge and experience sharing and learning opportunities, and Q&As.

The Prestel & Partner Audience

A majority of Single and non-commercial Multi Family Offices with the profiles of Principal, CEO, CIO, CFO, & COO.

Service providers are from various fields such as health, travel, international structuring, software, education or luxury goods – not uniquely from the financial industry. Partners contribute with and offer their expertise, without any upfront product sales.
