*Collaborative Leadership  
Advisor*

## ABOUT TERESA

Teresa Wornstaff is a Collaborative Leadership Advisor who has worked on both sides of the management table as both an employee and a manager at different times in her career.

Working without a mentor, and then as one, taught her how important it was to develop healthy leadership abilities in order to lead great teams.

Learning and skill development occurred over many years and many hours of application which culminated in her signature recipe for success.

Teresa is now sharing this recipe to help countless individuals and companies build successful teams!

## INDIVIDUAL PROGRAM

---

**Who you are speaks so loudly I can't hear your words.**

Consider.....Leaders create culture and environment. You can empower, enliven and excite your teams for boundless creativity, job satisfaction resulting in more clients, a better product and higher profits!

The collaborative leadership program was developed through working with multiple departments, over \$100M+ business, cross department projects and a study funded by NASA to understand why projects succeed.

## 4 PILLARS OF SUCCESS

---

**Self Leadership** - To know thyself is the beginning of wisdom. Identify your strengths and opportunities for growth

**Communication** - How to clearly communicate, active listening and situational communication

**Collaboration** - How to bring people together for a common goal and foster universal success

**Strategy** - Application of learned skills, creating actions that garner results.
