

## Waterhog® Plus

black smoke

chestnut brown

grey ash

indigo

khaki

maroon

regal red

southern pine

## Features and Benefits

- Reinforced face Nubs: Face Nubs are reinforced with rubber to resist crushing, maintaining high performance and extending product life.
- "Water Dam" border: The border is designed to hold water and dirt on the mat keeping them off carpets and floors. The unique raised rubber border allows Waterhog® Plus mats to hold up to 4 liters of water per square meter.
- Raised Nub surface: Removes and traps dirt and moisture, holding it on the mat below shoe level so they are not tracked onto floors.
- Indoor/Outdoor: Durable anti-static P.E.T. face suitable for indoor or outdoor use. P.E.T. fiber system dries quickly.
- Colorfast: Solution dyed for excellent light fastness.

## Specifications

Carpet:	Fiber Type:	Solution Dyed P.E.T.
	Weight:	800 gr/m <sup>2</sup>
	Nub Height:	0.64 cm
	Design:	Swirl pattern
Rubber Backing:	Type:	100% Nitrile Rubber
	Thickness:	4.5 mm - Border 2.3 mm - Body
	Durometer:	65
Weight:	Tensile:	1800
	Total Weight:	4.0 kg/m <sup>2</sup>

## Standard sizes

60 x 90*	90 x 150*	115 x 175	175 x 360
90 x 120	90 x 295	115 x 240	Size variation: +/- 2%
