Slide On

Compact and economical, our Slide On model is a unique way to experience the caravanning lifestyle when you have a flat tray ute. Combining the benefits of both caravans and motorhomes, Slide Ons are strong, light and easy to drive with, while providing the flexibility of a caravan without additional registration costs. Our Slide On allows you to tow a boat or trailer, and is easy to set up and store. Ask us about available layouts, shower and toilet models, and customising the Slide On to make it your own.

Exterior

Built tough to withstand the harsh Australian conditions, the Millard Slide On provides all the comfort and security of a caravan, right on the back of your flat-tray ute.

Interior

The compact yet comfortable interior is fitted out with high-end appliances and cabinetry, ensuring the perfect balance of comfort and convenience — no matter where you are.

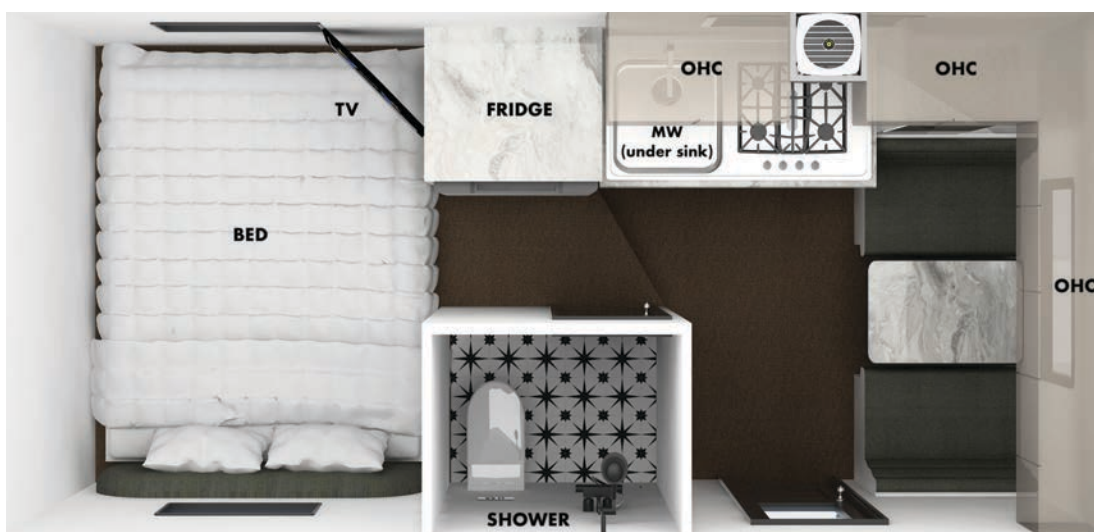

Floor Plans

Choose from our range of value-packed standard layouts designed to accommodate couples and families, and feel free to talk to us about optional upgrades to make the Slide On your own.
