PARENT SUPPORT WORKERS

We have a Parent Support Worker at the Teen Family Centre who is engaged in the Young Parents Program.

The Young Parents Program is to:

- Provide individual support to Young Parents attending BSHS and surrounding Schools
- Coordinate Parenting Workshops
- Coordinate life skills workshops
- Promote Parent Child Bonding

As a parent you can contact the Parent Support Worker if:

- You are having personal or parenting difficulties
- You have practical difficulties such as with transport, money, housing or Centrelink.
- You need more information on an issue or concern
- Would like access or referrals to other services
- You need someone to talk to.

The Parent Support Worker's office is next to the childcare centre at the school or you can phone the office on

1. Parents will establish and maintain a positive relationship with their child.
2. Parents will develop parenting skills and knowledge to promote the health and wellbeing of their child.
3. Parents will develop personal skills and knowledge to promote their own health and wellbeing.
4. Parents will explore and develop self-management, asset building skills and a positive self-image.

Essential content:

1. Parents will have scheduled activities to play and bond with their child and develop secure attachment.
2. Parents will learn and develop parenting skills to include; Physical, emotional, social and cognitive child development. safety, nutrition, sleep, childhood illnesses,
3. Physical, emotional, social and cognitive health, sexual health, contraception, nutrition, sleep, drug use, substance abuse, drug and alcohol abuse, smoking
4. Relationship, self-esteem communication, assertiveness, mental health and wellbeing.

ATTENDANCE

The Young Parents Program is to be treated like any other school subject. A grade will be given at the end of the year and is allocated on the basis of:

- Attendance
- Participation and engagement
- Respect
- Evaluations/ Feedback forms
- Uniform
- Punctuality
- Group work
- Behaviour

School uniforms are to be worn at all times, including excursions.

Punctuality is expected unless there is a legitimate reason; however, this must be communicated to your Parent Support Worker.

Many workshops will be delivered by visiting **facilitators** from a variety of community agencies, schools, government departments, etc. They have been carefully chosen by the Parent Support Worker and will keep all information given to them confidential. It is expected that respect will be shown at all times in their presence.

CHILDCARE CENTRE

1. Once baby turns 8 weeks, and has had their 8 week immunisations they are able to be enrolled for childcare. This is also the time that the young parents are able to return to school. However, during the first 6 months of baby's life, the parents only need to attend school Monday – Thursday. Once baby is over 6 months of age, the parents will return to school full time.
2. Children under six months of age **must** be visited by parent(s) at recess and lunch each day. This is to promote parent and child bonding as well as ease any separation

anxiety that parent and/or child may be feeling. In some cases, these visits may need to be extended but this can be negotiated with your Parent Support Worker.

3. You will be required to provide items for your child while at childcare. These items include nappies, formula (if bottle feeding) and clothes.
4. If your child is sick and cannot attend childcare, a doctor's certificate is needed to be obtained and given to staff the following day.
5. If you have any questions, problems or queries regarding childcare, you are more than welcome to speak to the staff there about it. If you do not feel comfortable about this process, your Parent Support Worker is more than happy to hear you out. Alternatively, the Director is also available.

HOLIDAY PROGRAMS

Each holidays (**except December/January**) a holiday program is developed with various activities and excursions for young parents and their children to attend. Activities may be just for parents, for example going to the movies or activities with their children such as a trip to the Zoo. This Childcare Centre is also available for selected days so that the young parents can utilise Respite. This is coordinated by the Parent Support Worker and Childcare Director.

CENTRELINK

All parent can receive support from Centrelink. This include the Parent Payments (single or partnered), Family Tax Benefit payments and the Childcare Subsidy.

The Childcare Subsidy can cover up to 95% of childcare fees. Prior to accessing childcare, parents will need to set this up with Centrelink. It can take up to 6 weeks to process.

Sometimes Centrelink can be tricky to understand and it can be a little overwhelming when they send letters or make you wait for hours in their office. It is important that if receive a letter from Centrelink, **do not ignore it- you may end up with a debt!** If you don't understand it, bring it in to your Parent Support Worker and they will help you out.

Centrelink is now accessed through the My Gov App or website. Ensure you have the app downloaded on your phone, and Centrelink linked to your My Gov Account. My Gov can also be linked to other services such as Medicare and Child Support.
