

12th June 2020

Highshore School

Dear parents and carers,

We welcomed six of our year 14 pupils back to Highshore this week. It was good to see how happy they were to return. There will be an offer for every leaver to spend some time back with us before the end of term. Sadly we will be unable to hold our leavers prom and other leavers events this year but we will do our best to enable leavers to say goodbye to school.

This week we've held two Zoom discos, one for current pupils and a second for our year 6 pupils. Both events had good numbers joining us and were great fun. Our pupils were very pleased to see each other! Our playground continues to be used by about 30 families each week. It's always good to catch up with young people and their families. Our new bikes are getting good use!

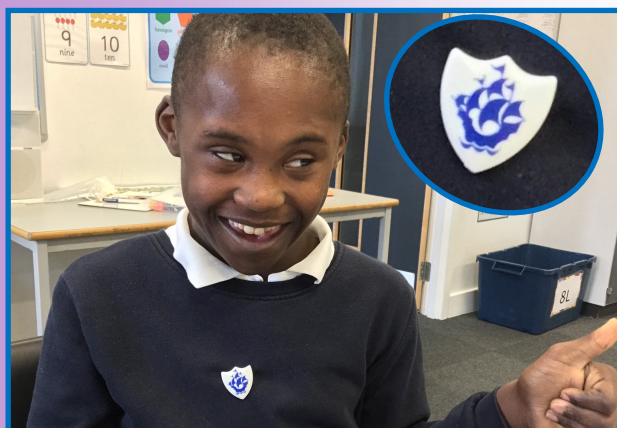

The national picture keeps changing. As a family school we can only do what we believe is best for our young people. Every family has different circumstances and is making the best decisions they can for the welfare of their children. For those of you who wish to keep your son/ daughter at home until September please do return the slip that was posted to you. Work pack 7 was distributed on Thursday and Friday. Many young people are taking part in Zoom sessions with colleagues and therapists. Breakfast packs will be delivered next Thursday to FSM families.

From Monday 15th June I'll be recording a short update as to what is happening in school each week. This will be available on our website.

We miss everyone and hope you remain safe and well.

Eileen

Updates from the Highshore Family

Ellis received a Blue Peter badge for a school project this week

Edie enjoyed the Yr 6 Zoom Party on Wednesday

Josh has been practising on his keyboard

Dean has made some people from beads

Deniz has been creating designs in her scrapbook

Max and Dean have been cooking dinner

Khadijah has been baking
