Selected Artworks

The following artworks by Patty are but a few examples of her textured abstracts (See Figures 1 though 7).

Figure 1. Wood Abstract. Patty Evans With permission.

And, here's a closer look:

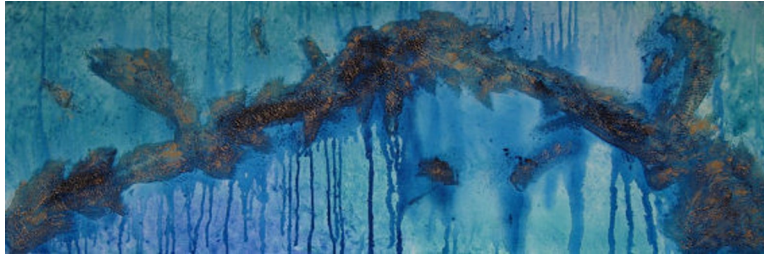

Figure 2. Blue Serenity. Patty Evans. With permission.

Figure 3. Wood Abstract. Patty Evans. With permission.

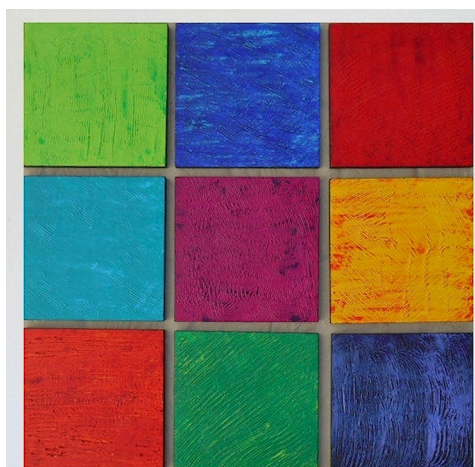

Figure 4. Wood Abstract. Patty Evans. With permission.

Figure 5. Wood Abstract. Patty Evans. With permission.

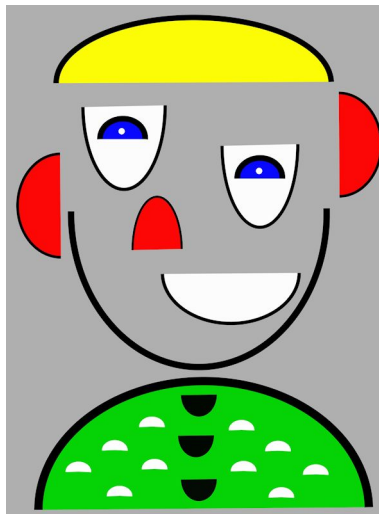

Figure 6. Wood Abstract. Patty Evans. With permission.

New from Acrylic Math!

ELLIPSES are flattened circles where the sum of the distances from two points, called the foci, to every point on the ellipse is constant. **CLOWNS** have been favored by artists by and children of all ages.

Broken Clown

(Click [HERE](#) to enlarge)

Title: Broken Clown - Geometric Abstract Wall Art

Description: The artwork displays a stylized geometric face of a clown made with semi-ellipses. The style parallels the style of Kandinsky and others but is based on math.

Specifications: 16 in by 11 in by 3/4 in (40.64 cm by 30.48 cm by 1.90 cm)
[giclee print](#) on a [stretched canvas](#) (unframed).

Shipping: This artwork is shipped ONLY to the Continental United States directly from the printer. Expect delivery in 10 -15 days.

Sold at My Etsy Shop: <https://www.etsy.com/shop/AcrylicMath>
